## Our Service to You

**We're committed to making sure your event runs exactly as you want it to.**

We understand that organising a funeral and wake can be very upsetting and stressful. You will have one point of contact as you plan your event, who will help and advise you every step of the way.

## Your Booking

**Here's how to make the arrangements:**

- Contact us - in person, by phone or via email. We can talk through your requirements:
  - Please tell us your menu selection(s).
  - Do you/your guests have any special access needs.
  - You are welcome to bring flowers from the funeral service to the venue: or, if you prefer, we can arrange table decoration for you.
  - Would you like to display photos on a table?
- We can invoice Solicitors.
- We will take a deposit, which can be paid by card over the phone, at the point of booking
- Full payment will be taken before the day - we understand that more people may come than expected: we will be able to accommodate more guests and can arrange an additional payment on the day.
